Clarkson Public Schools

Self-Management of Asthma And Severe Allergy (Anaphylaxis) at School

PARENT/GUARDIAN: By signing below, you are acknowledging the following:

1. You are requesting that your child be allowed to self-manage his/her asthma or allergy condition at school.
2. You are affirming your confidence that your child has the knowledge and skills needed to self-manage his/her asthma or allergy safely at school.
3. You will provide a current, written asthma or anaphylaxis care plan to the school. We request you use the Clarkson Public School provided action plans from the American Lung Association, or provide complete and equivalent information.
4. If your child injures school personnel or another student as the result of misuse of necessary asthma or allergy supplies, you shall be responsible for any and all costs associated with such injury.
5. The school and its employees and agents are not liable for any injury or death arising from a student's self-management of his or her asthma or allergy condition.
6. You will indemnify and hold harmless the school and its employees and agents against any claim arising from a student's self-management of his/her asthma or allergy.

STUDENT: By signing below, you agree that you understand all of the above and:

1. You must not share, or allow anyone to handle your medications or supplies.
2. If you use your medication(s) you WILL notify a teacher, nurse or administrator that you have used your medication.

Parent/Guardian Printed Name	Student Name (printed)
Parent/Guardian Signature Date	Student Signature Date

NOTE: This applies only to the current school year or until rescinded by any party, whichever occurs first.

PHYSICIAN AUTHORIZATION must be received in writing, specifically indicating the student is authorized to self-manage his/her condition at school, according to the current medical management plan as described in the completed Asthma or Anaphylaxis Action Plan, accompanied by medical order for necessary medications and treatment.

Rev. Jan. 2008

Clarkson Public Schools
Request to provide acetaminophen and ibuprofen

IMPORTANT INFORMATION FOR PARENT/GUARDIAN: Your written consent is required before your child may receive these medications at school. Please complete this entire form. By signing below you acknowledge the following:

- You have reviewed the information and agree that your child may safely take the medication(s) in the manufacturer recommended dose. Any dose different then the recommended dose will need a physician's authorization.
- If the child has a fever of 100 degrees Fahrenheit or greater, or if the child is suspected of being ill, the parent will be notified and the child will be sent home.
- Your child's medication may be administered by a nurse or by other school personnel determined competent to provide medication as required by Nebraska Law.
- This service is intended to help your child's performance during the instructional period.

If it is impossible to contact this physician, the school may make whatever arrangements seem necessary.

Physician: _____ **Phone:** _____

Due to section 504 of the Rehabilitation Act of 1973, the State of Nebraska requires all schools to identify every student who is susceptible to life threatening reactions (Asthma $ Anaphylaxis). We need a brief medical history of your child(ren) to ensure all academic needs are met in the general education classroom. In order to better serve our student population we would like you to voluntarily fill out any other information relating to your student's health and health history (i.e. heart murmurs, organ replacement, migraines, etc.) All information will be kept confidential within the school system. Please list information for each of your students.

Medical Conditions

Does your child have any known medical conditions? (anything that limits walking, seeing, hearing, speaking, breathing, learning, or working that has been diagnosed by a doctor)? Please include allergies.
