

Lil Pats Instructional/Open Gyms

Parents,

We are going to try to do things a little different this summer with basketball open gyms and getting some playing time in as well. The plan is to have 4 different open instructional/open gym sessions for students in grades 2-8 in Clarkson. Each session will be at the time listed but the first half of the session will be instructional time led by coaches and the second part of the session will be open for the players to play games. At the end of the 4 instructional/open gyms, there will be a sign up for players in grades 6-8 to play in a one day tournament held in Clarkson. All of this will be free of charge and completely optional but do think this is a good way to get kids instruction and have some fun playing games. If you have any questions, feel free to email me at mmurren@clarkson.esu7.org. We are trying to build the future of Patriot athletics and this is a great opportunity for your children to play!

Thanks

Coach Murren
